A Coldwell Banker Home Protection Plan is a renewable service contract that covers the repair or replacement of many systems and applications in your home. Statistics show that within the first year of living in your home, there is a 68% chance that a major system or appliance will break down. An unexpected breakdown can be financially devastating to your budget. With the protection of an Coldwell Banker Home Protection Plan, you can enjoy the comfort of your new home without the hassles of home repair. Ask your Coldwell Banker[®] sales associate to include a home protection plan at closing or contact AHS today to register your new home.
